Dear Members,

We're happy to announce that the COTEC CPD (Continuous Professional Development) Award is open once again. The COTEC CPD Award provides European Occupational Therapy practitioners with the opportunity to attend CPD events that support professional growth, foster the exchange of best practices, and strengthen Occupational Therapy across Europe .

The award covers the full registration fee for the selected CPD event up to €500 per person (travel, accommodation, and meals are not covered) .

Applicants must:

- Be a member of their National Occupational Therapists Association, which must be a member of COTEC.
- Be working primarily (more than 50% of working hours) as an Occupational Therapy practitioner.
- Demonstrate how the CPD event will contribute to their professional development and to Occupational Therapy within their community.
- Confirm that no other funding is available for their participation.
